

## Getting Here - Cambridge River Tours

**To check in for your punt tour, please make your way to the punt station in front of the La Mimosa Italian restaurant, Cambridge, near Magdalen Bridge, Bridge Street. Our duty manager will greet you next to the river. If you have any trouble finding them, give them a call on the mobile phone number on your booking confirmation.**

At Quayside, you'll also have access to public toilets for a comfort break – your last chance to go for the next hour or so!

Our punt tours leave from the punt station adjacent to the 'La Mimosa' Italian restaurant. It's a short stroll along the boardwalk from Quayside, towards Jesus Green, and a lovely quiet spot.

There are a number of car parks nearby, please see the FAQ page on our website for more information:
